Parents/Guardians of Elementary School Students

Dear Parent/Guardian:

Federal law requires the district to inform you of your rights to request information about the professional qualifications of both the teachers and the paraprofessionals who teach and work with your child(ren).

Professional qualifications of all Delaware educators are available to the public online through the Delaware Educator Data System (DEEDS) at <http://deeds.doe.k12.de.us>. By clicking on "Find an Educator/Verify Credentials," you can view information regarding an educator's Delaware teaching license and certification, college degree, and national credentials.

If you are unable to access the DEEDS website, you may contact the Cape Henlopen School District Human Resources Department at 302-645-6686 to request this information.

Sincerely,

Amanda Archambault
Supervisor of Elementary Education
