

# CAPE HENLOPEN SCHOOL DISTRICT

## Instructional Plan for Inclement Weather

With winter weather season upon us, we would like to share with you Cape Henlopen School District's instructional plan for inclement weather scenarios.

### All Single Day Weather Related School Cancellations

No school for students

### Multiple Day Weather Related School Cancellations

**Day 1** - No school for students

**Day 2** - Asynchronous Day. Teachers will post assignments on Schoology or SeeSaw

*\*Severity of weather will be taken into account. Expectations will be communicated at that time.*

**Day 3 and Beyond** - Synchronous Day. Teachers will conduct remote synchronous instruction. (in certain circumstances, instruction may be asynchronous.)

*\*Severity of weather will be taken into account. Expectations will be communicated at that time.*

Mr. Fulton's morning school cancellation call will explain if there will be:

- a.) No school that day,
- b.) Asynchronous instruction for the day, or
- c.) Synchronous instruction for the day

*\*This information will also be posted to social media and the District website.*

Power outages and other unforeseen circumstances may ultimately impact the plan for the day. Any specific information will be communicated as warranted.
