March 20, 2020

Dear Cape staff, families, and community members,

The Cape Henlopen School District would like to inform our community that our March 31st current expense referendum will not occur as scheduled.

Over the past few weeks we have been monitoring the COVID-19 epidemic and its impact on the lives of so many in our community and elsewhere. Based on all that has occurred and what lies ahead, and in agreement with the Department of Elections, our referendum will not occur on March 31, 2020.

My administrative team will be discussing this topic over the next few weeks and on a future date, will have a discussion with our Board of Education regarding our next steps.

Currently our District's focus is on identifying and supporting the needs of our students, families, and staff during this challenging time and conversations related to a referendum are secondary to our current reality.

Thank you for your ongoing support.

Sincerely,

Robert S. Fulton, M.S. Ed.
