March 11, 2020

To the Cape Community:

Your safety and well-being are the Cape Henlopen School District's top priorities. While there are still no confirmed cases of the coronavirus (COVID – 19) in the state of Delaware, District officials continue to monitor this evolving situation closely. The District is participating in informational calls with the Delaware Department of Health as well as the Delaware Department of Education and surrounding school districts to respond to events as they are unfolding. Please visit capehenlopenschools.com for the most up to date information.

Academic Continuity – At this time, there is no interruption to the regular school academic operation. Cape Henlopen is currently under a “Phase 1” status under the Pandemic Preparedness Plan (please refer to Preparedness Plan for more information).

Workplace/School Continuity – At this time, there is no interruption to the regular District operations. Cape Henlopen is currently under a “Phase 1” status under the Pandemic Preparedness Plan. The District is following the recommendations from the CDC for Environmental Cleaning and Disinfection.

Events/Field Trips – As of the distribution of this letter, no activities, sports or trips have been cancelled in the Cape Henlopen School District.

Travel – Please report any travel abroad to your child's school office. The District will continue to monitor the [CDC's guidance](#) related to quarantines for travelers to and from certain countries. At this time, we are requesting that anyone associated with Cape Henlopen Schools practice mandatory 14-day quarantines for travel to/from any level 2 or level 3 country. The lists currently include China, South Korea, Italy and Japan.

Information Center –The [Cape Henlopen School District website](#) will be the primary source of information to keep the Cape Community informed of developments surrounding this evolving issue.

Sincerely,

Robert S. Fulton
Superintendent
