Some important reminders for a successful school year!

- Be sure the iPad is charged every night and goes to school every day!
(Elementary students who are face to face will receive their iPad on the first day of school)
- Remote students - create a quiet place to work and have pencils, a notebook, and any materials the teacher requested, on hand (Let the teacher know if any materials are needed)
- Wherever you are learning, bring your SMILE and POSITIVE ATTITUDE and get ready to make this our best school year yet!
