Permission to Pick-Up

I give the following individuals permission to pick-up my child from _____ .
School

I understand that if I wish to have an individual's name added to or deleted from this list, I must notify the school office in writing. Per Board Policy #205 (*Enrollment and Release of Students and Student Information*) a note from the parent will still need to be given to the school office.

I have notified the persons mentioned below, that they may be asked to provide identification before my child will be permitted to leave with them.
