

# DEL TECH CONNECTS PATHWAYS

The College is proud to be a partner in the Delaware Pathways initiative. Delaware Pathways is a vehicle to ensure all high school students have the opportunity to fulfill their educational goals and career aspirations. Career pathways begin in the public education system (K-12) through the development and implementation of Career and Technical Education (CTE) programs of study. These pathways allow for students to participate in work-based learning opportunities and provide articulated credit toward many Delaware Tech degree and workforce training programs.

## Plant Science

\*These recommendations are in addition to the credits earned for pathway completion. Offerings vary by high school. Visit our [dual enrollment](#) web page for more details.
